Mark Your Calendar!

Space is limited to the first 20 pre-registered K-12 educators

Credits: Two (2) college credits awarded (letter grade earned)

Undergraduate: Attend all sessions and write a paper.

Graduate: Attend all sessions, write a paper and create a lesson plan.

(The credit information will be available at the workshop and online.)

Attendance: Full attendance is mandatory.

All expenses will be paid for with support from a USDA Capacity Building Grant. This includes the application fee (\$20 undergraduate/\$30 graduate), tuition (\$87 per credit hour) and meals (breakfast, lunch and dinner).

Participants who stay at Lincoln University's Youth Development Cabins at Alan T. Busby Farm must bring their own sleeping gear. Shuttle service will be provided from the cabins to and from campus every day.

To register or for more information contact Debbie Hanlin by phone: (573) 681-5380 or email HanlinD2@LincolnU.edu or visit http://www.lincolnu.edu/web/cooperative-research/environmental-science
