Compliant and Grievance Policy

Employees covered by this policy

This policy applies to all Faculty employees at LU and applicants of positions.

Policy

Lincoln University encourages employees to seek a solution concerning disagreements arising from working relationships, working conditions, employment practices, or differences of interpretation of policy through the following grievance procedure. The complaint basis must be a perceived violation of Lincoln University policy, state or federal law. Complaints addressing employment discrimination, sexual harassment or academic processes should be processed through the respective grievance procedures.

All full time and part-time regular staff employees are entitled to utilize the complaint and grievance procedure.

Informal Resolution Step

The employee is advised to discuss the matter and seek informal resolution with his/her immediate supervisor unless the supervisor is the respondent to the complaint. If so, the employee should discuss the matter with the next in line of authority. The complainant must initiate the complaint process within 30 days following the alleged action or the date on which the complainant first knew, or reasonably should have known, of the occurrence. The employee will attempt a voluntary and informal means of resolving the complaint if possible within 5 days of notification. The supervisor should maintain a written summary of the discussion.

Formal Resolution Step

If informal resolution isn't acceptable, then the complainant will be asked to put forth a written statement with pertinent information of the complaint matter to the Complaint Coordinator, Executive Assistant to the President within 5 days. The formalized written statement needs to include: a description of the alleged violation or grievance matter, the individual(s) involved, when it occurred, witnesses and evidence of the alleged action, and what recourse is requested. Once a formalized written statement of complaint matter is filed, the Complaint Coordinator will refer the complaint to the appropriate university official for investigation within 5 days, the university official will conduct a fact-finding investigation.

The investigator will talk to the parties involved, review all relevant records and evidence, and interview witnesses. The investigator will conclude with a written report that summarizes the results and a finding. The conclusion could be a “substantiated” finding that could result in some type of corrective action by the University. The conclusion could be an “unsubstantiated” finding will result in no corrective action. The investigation outcome could be “inconclusive”.

The investigator will submit the fact-finding summary report to the Complaint Coordinator within 10 days; the Complaint Coordinator will notify the involved parties in writing as to the outcome of the fact-finding investigation, including any action to be taken within 10 days. The Complaint Coordinator will attempt to ensure timely processing of the complaint at all steps but may determine an extension of these timeframes is necessary. The Complaint Coordinator will inform either party of his/her right to elect to proceed to the next step in the complaint resolution process, the written request for an impartial review by the Internal Grievance Panel.

If a request for a review by the Internal Grievance Panel is made in writing by one of the parties, the Complaint Coordinator will refer to the request to the Internal Grievance Panel Chairperson.

Internal Grievance Panel Review Step

The Internal Grievance Panel Chairperson will call a meeting of the whole membership, at which time a subcommittee will be selected to review the complaint. The subcommittee composition will have a diverse demographic representation of members that reflects the workforce as much as possible. The Internal Grievance Panel’s designated subcommittee will have the authority to conduct the complaint review, issue findings and recommendations.

The designated subcommittee will conduct a review of the fact-finding report pertaining to the investigation of the complaint. The subcommittee may conduct a hearing to listen to testimony of the involved parties including witnesses and review any evidence relating to the alleged violation occurrence. The subcommittee must determine whether the complaint is substantiated, unsubstantiated or inconclusive and recommend any corrective action where appropriate.

The Internal Grievance Panel’s designated subcommittee will submit its findings and recommendation to the Complaint Coordinator. This resolution step should be completed with 15 days of receipt of the written request for an impartial review. Should the panel decide that the complexities of the investigation prevent a conclusion within this time frame; the deadline may be extended upon approval by the Complaint Coordinator.

President’s Decision Step

Following receipt of the Internal Grievance Panel’s subcommittee written findings and recommendation, the Complaint Coordinator will ask the President to make a written determination as to the result of the findings of the complaint matter and provide a copy of the determination to the parties

within 15 days. The President will include a statement indicating what action (if any) will be taken as a result of the complaint. The President's written determination concludes the University's internal complaint process.
