SUBJECT: Action Items - Board of Curators

During its conference call held on Friday, April 7, 2017, the Lincoln University Board of Curators approved the following:

- 1) To rescind the action taken on March 29, 2017, to award a construction contract for exterior renovations to Dwight T. Reed Stadium to Byrne and Jones Construction; and
- 2) To reopen the bidding process for the renovation project at Dwight T. Reed Stadium. Following the March 29<sup>th</sup> meeting, an irregularity in the bid process was discovered. To avoid any appearance of impropriety, the University is reopening the bidding process. The request for bids will include an increased scope of work for the project.

The next meeting of the Lincoln University Board of Curators will be held on Thursday, April 20, 2017
