**Evaluation**

Quality of the reflective essay

Excellent      Good      Fair      Poor

Essays show evidence that student can analyze, critique, and interpret literature (and examine literature's connections to culture and history).

Excellent      Good      Fair      Poor

Essays show evidence that student makes use of writing skills that are essential for success in most walks of life. These skills include command of the conventions of standard English grammar without a pattern of errors, the use of transitional elements, and the ability to select language appropriate for the intended audience.
