Name: _____ Phone: _____

Address: _____ Email: _____

Date of Birth: _____

I am over the age of 18 and in consideration of the opportunity to be included in university publications do hereby grant the Curators of Lincoln University of Missouri the right to make, preserve, copy and use audio, visual and other images, depictions and representations of me and my activities.

I am aware of my rights under the Federal Education Rights Privacy Act (FERPA) and of my legal rights under other state and federal law and under the Rules and Regulations of the University and do hereby waive those rights.

I agree that the images referred to by this agreement do not constitute "educational records" and I further agree that if they are found by an agency or court of competent jurisdiction to constitute "educational records," such records are "directory information" as that term is used in FERPA and may be disclosed and used as described in this agreement.

I understand and agree that the images may be published to the general public through the use of mass media or in more limited distributions and that I will not be paid for such uses.

I understand and agree the images may be used by the University for educational, historical, promotional, commercial and other purposes and published through radio, television, print, internet and any other medium.

I waive any rights I may have in the images made by the University and understand and agree that I will claim no ownership, control or interest of any kind in any work produced which includes any such images. I understand and agree that by entering into this agreement I am waiving my right to privacy, publicity, and any other right I may have or claim to have which is related in any way to the images and their use by the University.

I understand and agree the images may be enhanced, cropped, morphed and otherwise modified by computer or other means, one or more times, and parts of the images may be moved, removed and used in, and in conjunction with, other images, processes or methods of presentation or communication.

I am not a member of or represented by any union, organization or agent that will be undermined by this agreement; nor am I in any other way contractually, or otherwise, limited or obligated in a way which would be undermined by this agreement. The University may assign its interest in this agreement without my permission. I understand that the use of these images may result in copies being made by members of the general public and do hereby release and waive any claims I may have against the University arising from or related to such possibility.
