Cost of Attendance Budgets
Fall/Spring Semester 2025-2026

The following cost of attendance will be used as the official cost budget at Lincoln University for the awarding of campus-based aid, as well as Direct Loans. These budgets reflect the tuition & fees, housing, books, and supplies, as well as personal/transportation for the fall/spring semester. These budgets are based upon a percentage of the full year/9-month budget for 2025-2026 academic year. Health insurance, student activity fee, and building & maintenance fee are included in the tuition and fees portion of the budget. An average loan fee is included in the total portion of the budget.
