Intent to Register Form

Summer 2027 | 2026-2027 award year

Use this form before registration/enrollment to indicate summer attendance plans and determine federal student aid eligibility. Federal loans require at least **6 undergraduate credit hours** or **3 graduate credit hours in summer**. Annual and aggregate limits apply; borrowing in 2026-2027 and prior years may affect summer eligibility. Pell Grants may be available to eligible students.

If you enroll in Summer I and intend to enroll in Summer II, register for all planned classes by **June 1, 2027** for combined-session aid consideration. Submit this intent form between **February 1 and May 27, 2027**, consistent with Lincoln's published summer submission window.
