     Fall Institute
     The next Staff Council is scheduled during the Fall Institute. The meeting has been rescheduled for Friday, August 15 from 10:30-11:45. Prior to that meeting, the Staff Council Meet and Greet has been scheduled from 10:00 to 10:30. As chair, I have been put on the agenda during the first session on Thursday. I will at that time invite everyone (especially new staff) to come to the Meet and Greet and to get set up on the listserv.

     Resignation
     Kelley Sturgis, Professional Staff Representative and Vice Chair of the Council, has submitted her resignation. Kelley is taking a faculty position at Lincoln. Her appointment begins August 14. I have asked her to remain on the Staff Council until that date. According to the Bylaws, the Nominations Committee needs to submit a recommendation to me to fulfill the remaining of the term. The Nominations committee also needs to organize a special election from current members for the next meeting to fill the vice chair position.

4. Old Business

• Budget: The Staff Council has an approved budget of $200 for FY 2009
  Greg Dudenhoeffer made a motion that procedurally the vice chair of the council be responsible for the budget and reporting expenses to the council.
  Motion 2nd: Kelley Sturgis
  Approved

• Ex-officio Member: Is the council chair required to serve as an ex-officio member on all council committees according to Robert’s Rules?
  Item tabled until Parliamentarian, Mark Worthen can do further research.

5. New Business

• Staff Council Procedures: The procedures that guide our actions on issues not detailed in our formal bylaws.
  Chair, Mike Downey charged the Policies and Procedures committee with drawing up a draft of Staff Council Procedures for the council’s review.

• Pay schedule for hourly employees: Hourly employees are paid in the middle of the month for the preceding month’s work. Therefore, if an hourly employee starts work on the first day of the month they will have been on the job for up to six weeks before receiving a paycheck. This procedure seems to create an unnecessary hardship for hourly employees.
  Chair, Mike Downey asked for volunteers to form an ad-hoc committee to research this issue and other related issues for hourly employees and report their findings to the council. The volunteers are: James Howard, Chair; Bill O’Day, and Clint Henry

• Sick Leave Share Plan: A policy which allows employees to share accumulated sick leave days with co-workers suffering from serious illnesses or injuries.
  Kelley Sturgis volunteered to research the different models of share plans and talk with persons who may have relevant information and report back to the council.
• **Employee withdrawal process:** The process for an employee, who is leaving their position with the University, whether voluntary or in-voluntary, requires completing a form which has about a 1,000,000,000 signatures on it. Kennette Herndon made a motion that an ad-hoc committee be formed to research this process and make a recommendation that would streamline this process and still protect the University’s interest. 
  Motion 2<sup>nd</sup>: Barbara Melloway 
  Approved

• **Summer work schedule**  
  Tabled until next meeting

5. **Adjournment**

• Kelley Sturgis made a motion that we adjourn, Barb Melloway 2<sup>nd</sup> the motion, motion approved. 
• Meeting adjourned at 11:55 am
