July 1, 2014

Dear Parent,

Lincoln University Cooperative Extension (LUCE) would like to invite 7-15 year olds to the Central Missouri Youth Development “2014 Outdoor Rangers Camp”. Youth will be selected to participate in an exclusive leadership training experience held July 30-31, 2014 here in Jefferson City, Missouri.

The LUCE Outdoor Rangers Camp is designed to develop today’s youth into the leaders of tomorrow through a carefully prepared leadership curriculum. This carefully designed three-day training camp will give skills in outdoor education. Our training will focus on developing hiking, archery, fishing and team building workshops.

This Outdoor Rangers Camp will:

- Help students and others understand the value of outdoor education
- Help students and others learn survival skills in the scientific aspect of nature
- Help students and others make the connection between survival skills and success
- Help reduce the dropout rate and close the achievement gap

Youth will also be given the opportunity to demonstrate their leadership skills during our overnight camping experience.

Thank you for your support,

Adrian Hendricks II M.Ed., M.AR.
